March 18, 2003

Hon. Commissioner for Patents
Washington, D.C. 20231

Sir:

Further to the Information Disclosure Statement (IDS) of February 14, 2002, attached are Forms PTO-1449 listing the enclosed documents. In lieu of certification, the Official Fee required under 37 CFR § 1.97(d) is filed herewith. Should that fee be missing or inadequate, please charge the deficiency to our Deposit Account No. 14-1140 referencing matter number 4057-8 for which purpose this paper is submitted in duplicate.

This Information Disclosure Statement (IDS) is intended to be in full compliance with the rules, but should the Examiner find any part of its required content to have been omitted, prompt notice to that effect is earnestly solicited, along with additional time under 37 CFR § 1.97(f), to enable Applicants to comply fully.

As provided by 37 CFR §§ 1.97(g) and (h), no inference should be made that this information and the listed references are prior art merely because they have been submitted for consideration. Furthermore, no representation is being made that a search has been conducted or that this IDS encompasses all possible material information.

Consideration of the foregoing and enclosures, as well as the return of a copy of the Form PTO-1449 with the Examiner's initials per MPEP § 609, are earnestly solicited. The Examiner is invited to contact the undersigned if further information is needed.

Respectfully submitted,

NIXON & VANDERHYE P.C.
